Announcements

What should we know that doesn't require deep discussion?

Zoho Corporation, is an Indian multinational technology company that makes computer software and web-based business tools.[2] It is best known for the online office suite offering Zoho Office Suite

From 1996 to 2009, the company was known as AdventNet, Inc. and initially provided network management software.[7][8]

company was founded in 1996[3] by Sridhar Vembu and Tony Thomas and has a presence in seven locations with global headquarters in Chennai, Tamil Nadu, India, and corporate headquarters outside of Austin in Del Valle, Texas.[4][5] Radha Vembu, Sridhar Vembu's sister, owns a majority stake in the company.[6]

Issues & blockers

What topics are urgent to discuss? What is blocking our progress?

From 1996 to 2009, the company was known as AdventNet, Inc. and initially provided network management software.[7][8]

AdventNet expanded operations into Japan in 2001 and shifted focus to small and medium businesses (SMBs).[8]

Zoho CRM was released in 2005, along with Zoho Writer, the company's first Office suite product.[8] Zoho Projects, Creator, Sheet, and Show were released in 2006.[

Discussion topics

What should we discuss as a full group during this meeting?

Zoho expanded into the collaboration space with the release of Zoho Docs and Zoho Meeting in 2007.

In 2009, the company was renamed Zoho Corporation after its online office suite.[10] The company remains privately owned

In 2008, the company added invoicing and mail applications, reaching one million users by August of that year.[9]

After party

What should we discuss as a smaller group at the end of this meeting?

The following year, in November 2022, Zoho worked with more than 50,000 organizations in more than 160 countries.[14][15]

In 2017, Zoho launched Zoho One, a comprehensive suite of over forty applications.[12] As of October 2021, Zoho One has been expanded to 50 applications.[

Zoho reached more than 50 million customers in January 2020.[16] In July 2022, the company announced it had more than 80 million users.[17][18]
